Hi {FIRST_NAME|Friend},

You did it!

Our year-end fundraising campaign was successful because of thoughtful and caring people like you! It raised over $98,000!

Just how does all that generosity improve our wonderful community?

- $21,600 enables 3 homeless youth to live in safety at our Oregon Trail Transitional House in The Dalles for a whole year until they can build a strong foundation for independent living.

- $15,000 provides 10 stressed and overwhelmed families with a home visitor for a year. With this support, they learn the skills to become confident and capable parents, so their baby can be safe and healthy.

solve ways to help their children express their feelings.

- $28,800 allows 12 former foster youth a solid year of skills training. Young adults learn how to apply for housing, important money management skills, and sometimes much needed social skills.

- $15,600 enables 12 children and teens to have a mentor for a whole year. These youth will grow to have more fulfilling relationships throughout their lives, experience new things, and enjoy brighter futures.

- $11,000 provides 90 hours of training for 7 Community Health Workers. Community Health Workers build bridges between an individual's access to healthcare, education, and other vital resources.

Wow, so many children, families, and communities impacted by your generosity! Thank you for helping our community become a better place.

We couldn't do the great work we do at The Next Door without committed individuals like you, so thank you!

Sincerely,

Janet Hamada
Executive Director

P.S. We want to thank you in-person, so don't forget to RSVP for our upcoming Donor Appreciation Happy Hour on Tuesday, February 4th!
