Hi {FIRST_NAME|Friend},

Today, you have an incredible and rare opportunity to help children and families in the Gorge.

Recently, a long-time friend and supporter offered a generous $50,000 matching gift. Their gift was timely because, much like the rest of the world, COVID-19 has brought our Gorge community to its knees.

We are in uncharted territory. Our sense of community, livelihoods, and very lives are being threatened. Like many of you, the children, families, and community members we serve are suffering; heightened fear and anxiety, lost wages, and lost hope.

The Next Door itself is feeling the turmoil. In this ever-changing situation, our dedicated staff are adapting and providing online classes for students in our Klahre House and Kelly Avenue schools, Welcome Baby visits with new parents via FaceTime, mental health treatment sessions through video conferencing, and more.
Annual Plant Sale

The annual Raices Plant Sale is still on for Saturday, May 9th, but this year will look a little different.

Stay tuned to the Raices website for information on how to browse the selection, make your purchase online, and arrange a pick-up time.

All plant starts are chemical-free and all sales benefit our Raices Cooperative Farm!

As an organization that relies heavily on grants and donations from our beloved community, we’re anxious about what the future holds. What will an economic recession mean for our programs? What vital services might be lost? The future is unclear, but one thing is certain; children and families need The Next Door and you now more than ever.

As we weather this storm together, I humbly ask you to consider a gift to The Next Door. It’s times like this, when we’re all thinking globally, that your dollars go farther to impact your community locally.

Above all, take care of yourself and each other. The world needs you.

With high hopes and gratitude,

Janet Hamada
Executive Director

P.S. Thanks to generous matching funds, every gift will be matched up to $50,000. Double your impact and make a gift today.
