Why work at The Next Door?
Because you share our vision of a supportive community where all children and families are safe, healthy and valued. Every day, we work towards making this vision a reality, by having integrity and by living our core values of being welcoming, just, empathetic, empowering and flexible. If you like to work in an environment where you’ll be learning right alongside our program participants—The Next Door is the place for you!

Who we are looking for?
We are looking for someone who is reflective, respectful, intuitive, honest and self-motivated. We’re looking for someone who is able to connect and build trust quickly with a variety of people. We’re also looking for someone who is detail-oriented, organized, knows how to prioritize tasks and can work independently as well as part of a team.

What you will do...
• Review incoming students academic Transcripts and IEP.
